Tools: Figma, Adobe XD, Photoshop, Miro, Hotjar, Google Analytics, UXCam, Smartlook, CleverTap, SurveyMonkey

Methods: Design Thinking, Agile/Scrum, Design Sprints, Stakeholder Workshops, OKR Planning, Heuristic Evaluation, Service Design

Professional Experience

Senior Product Designer - Travacations (Tech-Travel), India | Apr 2024 – Present

- Led the end-to-end UX design and research for the Travion B2B SaaS platform over a 1.5 years timeline, steering the project from foundational research with over 200 professionals to the final mobile-first product evolution.
- Designed and validated core features, including a proactive "Smart Dashboard" and a community "Trust Hub," and built high-fidelity prototypes using HTML/CSS/JS to test complex AI-driven interactions and dynamic data.
- Drove a 60% faster on-the-go task completion rate and a 35% increase in daily user engagement, achieving an exceptional 88.5 System Usability Scale (SUS) score (Grade A+).

UX/Product Designer - OurShopee (E-Commerce), Dubai, UAE | Dec 2022 – Feb 2024

- Led UX design for CRM platform (web & mobile) serving 500+ staff; reduced task completion time by 40% and errors by 25%.
- Built and rolled out a design system, improving design efficiency by 20% and ensuring brand consistency.
- Integrated CRM–Shopify workflows, streamlining sales processes and enhancing data synchronisation.

UI/UX Designer - Bankiom (FinTech), Dubai, UAE | Aug 2022 – Jan 2023

- Redesigned website and ran usability tests, improving conversion rate by 230% and customer satisfaction by 40%.
- Revamped responsive web app, driving 45% higher engagement and reducing bounce rate by 30%.

UI/UX Designer (Freelance) - India, UAE, USA | Nov 2020 – Present

- Improved Riderz App UX for truck drivers, cutting task time from 8 min to under 3 min.
- Designed Xpresscue app to convert PDFs/documents into audio files, enhancing accessibility for visually impaired users.
- Revamped website for TKC (Kerala media company), improving usability and engagement.

UI/UX Designer & Researcher - Ortez Infotech, Kerala, India | Jan 2022 – Sep 2022

- Designed Shanthi Bhavan Donation App; increased donations by INR 200,000 in 90 days.
- Reduced donation process time from 15–20 minutes to 5 minutes with mobile-first UX.
- Delivered CRS app for hotels; streamlined reservation flow validated with usability testing.

Certifications

- Google UX Design Professional Certificate – Coursera (2021)
- Digital Skills: User Experience – FutureLearn by Accenture (2020)
- Basic Human Psychology and Facial Patterns (Research-based) – 2022
